

Little World Beverages LIMITED

15 September 2011

Voluntary Recall of 568ml PINTS

Little Creatures advises that it has this morning instigated a voluntary consumer level recall of the following 568ml PINT products.

- Pale Ale 568ml PINTS- all Best Before dates between 7 Jul 12 and 5 Aug 12
- Bright Ale 568ml PINTS- Best Before 7 Apr 12
- The Dreadnought Single Batch 568ml PINTS- Best Before 4 May 12

The affected products have been available for sale in liquor stores Australia wide and Little Creatures is now notifying our customers and the relevant authorities in accordance with our established product recall plan.

The recall of the above products is a precautionary measure due to the potential for glass contamination from a batch of weakened glass bottles. This recall applies only to the above 568ml pint size products with the nominated best before dates. No other Little Creatures products are affected by this recall.

This recall is expected to apply to approximately 5,500 cases estimated to be still in trade.

Little Creatures is greatly concerned to minimize any risk to its customers. This recall is being undertaken to ensure the safety of our customers as part of our ongoing commitment to maintain the highest possible standards of safety and product quality at all times.

-end-
